

~ Late Summer 2018 Offsite Event Calendar ~

All offsite event and sale details can be found through the corresponding website or contact information listed with each event.

Pre-orders can be arranged by e-mailing sales@brokenarrownursery.com at least 5 days prior to the sale. Advance requests in writing for the plants you're looking for will expedite our confirmation process and help assure that you get the cool plants you want to take home! Offsite sale pickups are subject to plant size and quantity limitations on a sale-by-sale basis due to the logistics of moving large quantities of plants from one place to another. Many thanks from the Broken Arrow Nursery team!

Hollister House Garden Symposium and Plant Sale – Saturday and Sunday, September 8th and 9th, Washington, CT

Time: Saturday 4:00 – 6:00 PM (symposium ticket holders); Sunday 9:00 AM – 3:00 PM (general public)

Additional Info & Registration: <http://www.hollisterhousegarden.org/>

Following “A Passion for Plants” symposium, a sale of rare and unusual plants will be held at the barn and garden in Washington, CT. Beautifully situated on a sloping, terraced site in the rolling hills of Litchfield County in northwestern Connecticut, Hollister House Garden is an American interpretation of such classic English gardens as Sissinghurst, Great Dixter and Hidcote, formal in its structure but informal and rather wild in its style of planting. Join Broken Arrow Nursery at the Garden after an educational and entertaining day of talks featuring Sarah Price, Kelly Norris, Lynden Miller, Taylor Johnston, Ed Bowen, and Barbara Paul Robinson.

Sleepy Cat Farm Open Days and Plant Sale – Sunday, September 16th, Greenwich, CT

Time: 10:00 AM – 4:00 PM

Additional Info & Registration: <http://www.sleepycatfarm.com/>

Sleepy Cat Farm opens its gates in partnership with The Garden Conservancy. Sleepy Cat Farm is a 13 acre garden in Greenwich, CT, encompassing many different plant environments and garden styles. Its mission is to instill public awareness of Horticulture, Landscape Architecture, and the value of plants in our lives. Through open garden visits, programs and bi-lateral support of local organizations, Sleepy Cat Farm hopes to educate and inspire others in furthering the desire to learn about and create beautiful and sustainable gardens. Gain some inspiration from your garden tour and then browse Broken Arrow Nursery’s collection of rare and unusual plants for sale at this special location.
